

# Twin Eagle Times

JANUARY 2010

TWIN EAGLE CONSULTING, LLC

*Bridging the gap between IT and Telecomm*

## Happy New Year

We want to thank you for the business you have provided to us in 2009. The New Year is upon us and we are excited with the opportunities we have before us.

Please give us a call and tell us how we can help you.

## Did you know?

- We provide telecommunications engineering and network management solutions.
- We are assisting one of the country's largest energy providers addressing their communications needs for their Smart Grid initiative.
- We provided a turn-key solution for one of the country's largest petroleum pipeline projects in 2009.
- Twin Eagle is working with a local government entity addressing their needs for communications with water and waste water applications.
- Twin Eagle provides engineered turn-key solutions including detailed project management and implementation.
